## FANTASTIC FOOD IN A FANTASTIC LOCATION

The Maldives is arguably one of the most beautiful places on Earth, and not just for honeymooners. Sun, crystal-clear water and lush nature ensure an unforgettable holiday in the middle of the Indian Ocean.

From January to April 2017, 34 JRE chefs also provided culinary highlights in the Diamonds Hotels & Resorts on the Maldives and Zanzibar. During the third edition of "Dining with the Stars", the chefs once again outdid themselves, creating unique menus for guests against a breathtaking backdrop.
