

A top-down view of a person with voluminous, curly, light-brown hair. Their arms are raised, and their hands are pressed together in a prayer position (Anjali Mudra) directly above their head. The person is lying on a dark, textured surface that appears to be gravel or coarse sand. The lighting is soft and even, highlighting the texture of the hair and the skin.

MVUA AFRICAN RAIN SPA

NEW HORIZONS OF RELAXATION AND WELLNESS

MVUA IS AN AFRICAN SWAHILI WORD WHICH MEANS “RAIN”

In Africa, rain brings life and life depends on it...

Rain is the gift that brings wealth to the earth and to all those who live in it. Rain refreshes from the still heat of the day by cooling the thirsty land, awakening the senses and sharpening the aromas in the bush.

Capturing the beauty and magic of African décor, Mvua African Rain Spa blends earthy colours and dramatic images to evoke a sensory journey and inviting guests to build a personal experience in its calming and welcoming ambiance.

At the Mvua African Rain Spa you will find everything you need to revitalize your body and mind.

At Mvua African Rain Spa we utilize indigenous natural ingredients and other native resources as plants, flowers, salt, grains, spices, wild honey and raw sugar. Our tempting choices of treatments are based on ancient African, Asian and European traditions designed to soothe the spirit, rejuvenate the body and enrich the mind.

After experiencing the attentive service and warm ambiance, your desire to repeat your visit will bring you back again and again.
