

Dear Guest,

To ensure your safety and that your stay at our hotel is as comfortable as possible, and above all safe, Magna Pars Hotel à Parfum has taken all possible preventive measures in regards to COVID 19 by providing a continuous and constant sanitation of environments (both suites and common areas).

We ask your collaboration to increasingly optimize processes.

As of December 6, 2021 in conformity with current government regulations to access the Hotel it is obligatory to present a Base Green Pass (EU Digital COVID-19 Certificate) or, for non-EU citizens a state-issued Vaccination Passport or proof of a negative PCR or COVID-19 antigen rapid test carried out in the preceding 48 hours. Guests presenting proof of a negative test in lieu of a Vaccination Passport will have to repeat said test after 48 hours.

#### BEFORE YOUR ARRIVAL:

Please fill in the attached form with your data and that of people accompanying you, thus making check-in procedures easier and avoiding prolonged contacts and gatherings.

#### ARRIVAL CHECK IN:

Upon arrival, you will find a thermal scanner at the entrance to measure your temperature (mandatory in Lombardy). Please take your temperature and assure that people accompanying you take theirs.

Please wear a mask in the common areas. We have placed several hand sanitizing gel stations at your disposal.

If possible, please access the reception area by yourself, where you will find cordiality, professionalism and safety. Our staff will be wearing protective face mask, face shield, and sanitize their hands frequently.

Sanitized and safe rooms: in addition to the normal cleaning procedures of our suites, they will be sanitized before arrival, and will therefore be safe. Service personnel always wear gloves and masks before entering the suite.
