RESERVATIONS

We recommend reserving our services
A few days in advance.

It is recommended to arrive at least 10 minutes
before the reservation to make sure you can fully
enjoy the service;

In case of delay, it might not be possible to enjoy
the selected treatment in full.

Cancellations or changes to
Treatment must be made at least 24 hours before
the booked time.

If not the full amount of the
Treatment will be charged as penalty for the late
cancellation.

We also remind you that, in order to safeguard the
physical well-being of our clients,
massages are not performed in our facility on
women who are in the first three months of
pregnancy and beyond the seventh month.

Entrance Wet Area

for a maximum 4 hours

"Relax, collect yourself, remove from
you every other thought.
Let the world around you fade into indistinct"
(Italo Calvino)

For anyone who wants to stop and enjoy peace and tranquility, away from the hustle and bustle of city life, our Spa will prove to be exactly what you are looking for.

The deep stimulation provided by our Sauna, Turkish Bath, Emotional Showers and Jacuzzi, well combine with our calm and peaceful Relaxation Areas.

In our Relaxation Area you will find chaises longues where you may rest for a while, enjoying our selection of teas, soft drinks and fruits, and our Altana, a wonderful panoramic point where you may sit and admire the breathtaking view over the rooftops of the city.

RELAX WITHOUT WORRIES

To ensure a total stress and thought free relaxation experience, we are pleased to inform you that a kit of towels, bathrobe and slippers is included with your Spa access.

You will therefore only need to bring your swimsuit.

Inside our changing rooms you will have access to a personal locker, shower gel, shampoo and a hairdryer.

REGULATION AND RELEVANT INFORMATION

Access to our Spa is allowed from 14 years of age (accompanied by an adult), while it is highly discouraged for women during their first trimester of pregnancy.

Starting from the second quarter, if there are no health problems or contraindications, you may access our Wet Area.

We nonetheless still recommend avoiding both the Sauna and Turkish bath (high temperatures may cause pressure drops, capillary ruptures and skin spots).

We also remind you that it is not allowed to bring food and drinks into our Wellness & Spa area.

To preserve the harmony of the spaces it is required to turn off mobile phones and keep a low tone of voice.

Our staff will always be available to provide assistance in enjoying a day of safety and well-being.

Should you wish to take photos of our Wet Area, it is essential to ask for the consent of our staff and to make sure that no other guests appears in the photo without their consent.

The wearing of a costume is mandatory;
If you are not equipped with one at the time of arrival, you may purchase a disposable one directly on site.

BOOKING OUR SPA AREA FOR PRIVATE EVENTS

No matter the event you wish to organize, reserving an exclusive and elegant environment, such as our Wet Area, will allow you to add a wonderful setting to your special occasion.

An ideal oasis for the most diverse occasions, from the more romantic, when you wish to relax whilst enjoying hot steam and a unique view on the city, to the more convivial, when you wish to enjoy some time chatting and laughing among friends in our Jacuzzi.

It will also be possible to arrange, through our Alle Corone Restaurant, a buffet of cold cuts and canapés to further enrich the experience.

Our staff will be at your disposal to make the time you will spend at Ai Reali special and unforgettable.

THE MAGIC OF RITUALS

With the desire of offering experiences completely dedicated to recovery and relaxation, we have developed wellness programs particularly suitable to better deal with the stress and tiredness of everyday life or a challenging jet lag. *

*In order to ensure the greatest flexibility and comfort for our guests, we are pleased to inform you that the order of services described here may be changed.

RITUALS OF THE COUPLE

I'M LOOKING FOR...

TAKE A BREATH!

Rest and tranquility

Relax and soften the muscles

Soften the body, especially the feet

TWO HEARTS IN HARMONY

A vigorous and reinvigorating massage

Untying knots and tensions

Take care of your skin and eliminate dryness and thickening

A MOMENT JUST FOR US

A complete and regenerating path that treats the body in its entirety

A deep and enveloping massage focused on the points where stress and tension accumulate

Take care of your skin as well as your body

A day dedicated to Us

Toast with Prosecco to a view that will make your heart beat

FALL IN LOVE IN VENICE

Share a moment of relaxation and well-being together

Relieve shoulder tension

TAKE A BREATH!

Access to the wet area for 2 hours, 50 minutes Reali Massage and 25 minutes Relaxing Foot Massage and two glasses of Prosecco

Like a long and deep breath, this ritual manages to cleanse and lighten the body from a state of fatigue and tiredness and was created to give a moment of rest and lightness to those who choose it.

Access to our Spa area will allow your body and mind to harmonize and prepare for the massages, gradually moving your attention away from the outside world and bringing it back to yourself.

Once ready, our operators will accompany you to the couple's room, where, through soft and enveloping maneuvers, you will finally experience a much needed state of relaxation and peace.

The massages included in the ritual are excellent to relax body and mind and to ease states of tension thanks to the focus on feet, the roots of our being.

At the end of the ritual you may toast to this special occasion with a glass of Prosecco.

TWO HEARTS IN HARMONY

Access to the wet area for 2 hours, 20 minutes Body Exfoliation and 80 minutes Thai Massage With Oil and two glasses of Prosecco

Two Hearts in Harmony combines some of our services aimed at well-being and the recovery of energy to restore harmony and balance.

The Ritual begins with a cleansing of dead cells and impurities using a high-quality sugar-based exfoliant, a nourishing emulsion that will make your skin silky and soft.

Through the decisive pressure, stretching and relaxing, of the Thai massage you will feel how tension and stiffness, along with the feeling of physical and mental fatigue, will slowly disappear, leaving you in a deep state of relaxation and well-being.

At the end of the treatments, you will be able to complete your journey in our Spa, where you may stop and take the necessary time to regain your energy and serenity.

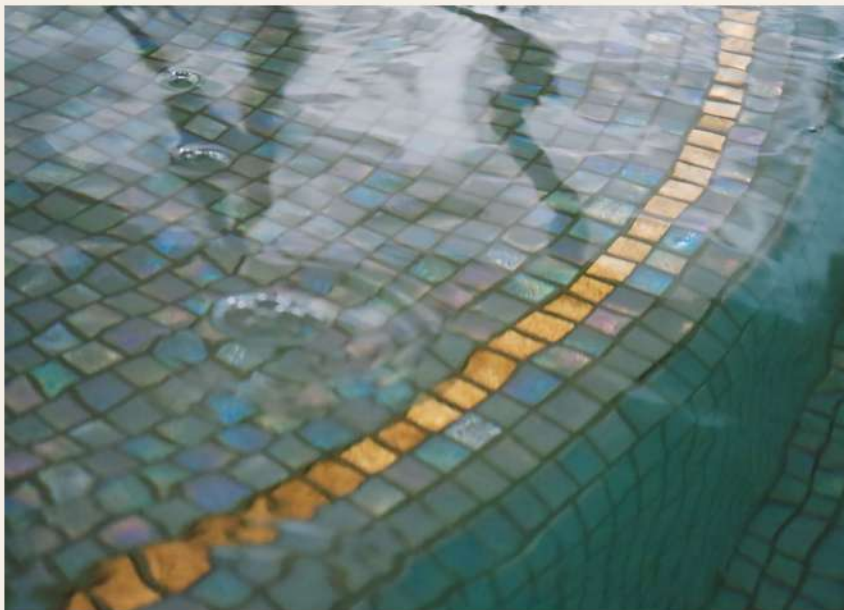

You may wander between the hot and aromatic steam of the Emotional Showers, the quiet bubbling of our Jacuzzi and of course the intense stimulations of our Sauna and Turkish Bath, a panacea to expel toxins and reach complete relaxation!

A MOMENT JUST FOR US!

Access to the wet area for 2 hours, 20 minutes Body
Exfoliantion followed by
80 minutes Stress Delete Massage,
tasting of Tea and biscuits, 100% Antioxidant Face Fruit
and two glasses of Prosecco

Among the experiences our Wellness & Spa offers, this
Ritual proves to be the most valuable and complete.
A perfect way to experience, and treat your partner to,
a day dedicated exclusively to couple's harmony and
romance.

The Ritual will begin in our Spa, a peaceful and relaxing
environment where you will be able
to unwind before enjoying the wonderful experience
you decided to gift yourselves with.

Once ready, our masseurs will accompany you to the cabin,
where you will enjoy the pleasant rubbing of our exfoliating
butter combined with the wise hands of our masseuses, capable of
loosening knots and tensions, cradling you until you finally feel
serene and relaxed.

A small selection of biscuits accompanied by a hot and aromatic
tea will help making this moment sweet and regenerating.

To finish the journey, our operators will start treating your face
with precious illuminating and moisturizing mixtures to bring
light to your complexion and really make your experience
valuable and beneficial.

Once this magnificent experience is completed you may toast
with Prosecco to yourselves and your newly found well-being in
our Relaxation Area or, if time allows, stop by in our magnificent
Altana to watch the light play among the roofs of the city.

FALL IN LOVE IN VENICE

Access to the wet area for 2 hours and
Shoulder, Neck, Face and Head Massage with Emotional Oil

Venice is a city that enchants visitors and can prove very sad to depart from.

This ritual is a wonderful opportunity to relax in a calm and welcoming environment, observing the city from a privileged point of view, while sipping a hot aromatic tea and enjoying the unique view offered by our Altana.

The Emotions Oil is a wonderful elixir of beauty, rich in Vitamin E and essences, with an enveloping and slightly citrusy scent; combined with our facial, head and shoulders massage, this will be a pleasant break that will allow you to go back to exploring the city feeling regenerated and ready to discover new horizons.

INDIVIDUAL RITUALS

I'M LOOKING FOR...

I TAKE CARE OF MYSELF!

Dedicate a few hours to regenerating and nourishing your body, mind and skin!

Regain light, hydration and elasticity

Get regenerated from head to toe

BETWEEN EARTH AND SKY

A soft and light massage

Relax body and mind

An oriental touch that gives me a sense of lightness

DEEP PURIFICATION

Clean your body of toxins while simply laying down

Intensively moisturize and rebalance your skin

Prepare for a regenerating and reshaping experience

I TAKE CARE OF MYSELF!

Access to the wet area for 2 hours,
20 minutes Body Exfoliation,
Feeling Time Facial Treatment and
50 minutes Reali Massage

At Ai Reali Wellness & Spa,
those who want to dedicate a whole day exclusively
to themselves and their own well-being will be able
to find the attention and care of a complete ritual that
will regenerate them from head to toe.

With access to our Spa Area you can immerse yourself in
a wellness environment and slowly remove from your
mind all thoughts and distractions.

Through the complete exfoliation of the body with a
high-quality sugar-based butter we will smoothen your
skin making it soft and nourished.

Through our Reali Massage you will enjoy the calm,
relaxing and enveloping sweetness of a long caress.

The ritual will end with a Feeling Time Facial, an iconic
beauty treatment that will give your face a bright and
young hydrated look,
thanks to the important Jaluronic Acid combined with
Collagen and Echinacea.

BETWEEN EARTH AND SKY

Access to the wet area for 2 hours,
20 minutes Body Exfoliantion and finally
50 minutes Detoxifying Thai Massage

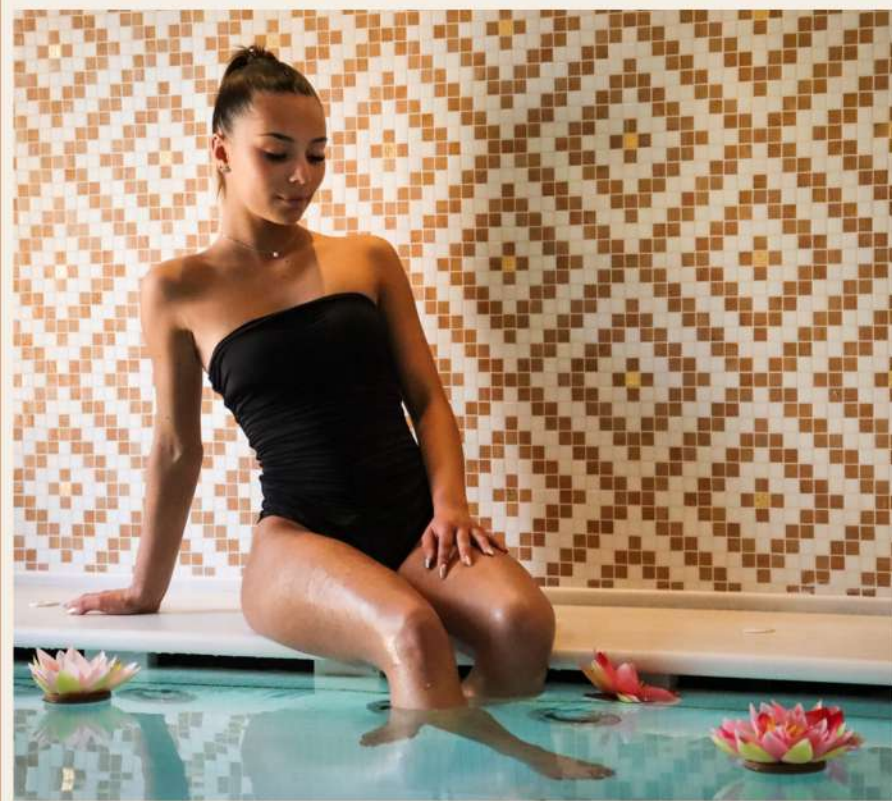

Individual ritual dedicated to those who feel
heavy and tired,
wishing to purify their body, achieving lightness and serenity.

The combination of Spa, Body Exfoliation and
Detoxifying Massage
is a particularly effective combination to deeply
cleanse and regenerate the body, leaving you feeling
suspended
"Between Earth and Sky"

A feeling that will not leave you for the rest of the
day.

Ideal for those seeking a slow and soft oriental
touch.

DEEP PURIFICATION

Termaestetica Body Treatment
and 30 minutes Remodeling Massage

This ritual is ideal for those in need of a deep detoxification and lightening of the body, but are not interested in accessing the Spa.

Trough the combination of a Termaestetica Body Treatment with a 30-minute Remodeling Massage, you will experience, on top of the pleasant feeling of a reinvigorated and lightened body, how the effectiveness of any treatment is amplified when body and mind are aligned and in tune.

A warm and moderately wet microclimate (42 degrees), along with the use of active cosmetics, simulates a thermal path, promoting maximum sweating and triggering a mechanism that will regenerate the tissues in a simple but effective way.

OUR RELAXING MESSAGES

Our Relaxing Massages

The massage is a moment of both meeting and sharing, constantly renewing,
A unique and unrepeatable moment that will never be the same, personalized each time to deliver a perfectly
regenerating experience.

All our massages are performed with care and dedication by our operators who will help you explore the various
shades of the word relaxation.

I AM LOOKING FOR...

REALI MASSAGE

A soft and relaxing massage to disconnect from reality!

Relieve tension and rigidity

STRESS DELETE MASSAGE

A massage focusing on the back

Deep decontracting pressure

CANDLE MASSAGE

A relaxing and enveloping massage that uses heat to soften muscles

Nourish your skin and senses through new fragrances and textures

HOT STONES MASSAGE

A firm pressure massage that stimulates energy centers

Deeply warm up your body

INSPIRATION LOMI LOMI

A massage combining stretching and relaxation movements for a complete wellness effect

REALI MASSAGE

50 or 80 minutes

This wonderful massage, enveloping and relaxing, represents a meeting point between the ancient Thai tradition and the western world, aiming at making your Ai Reali experience the first step towards well-being and serenity.

Ideal for those who want relaxing and enveloping massages or to those who visit us for the first time.

STRESS DELETE MASSAGE

80 minutes

This massage aims at treating the body in a global way through deep and decisive pressure, paying more attention to the areas where stress and fatigue accumulate, causing stiffness, heaviness and tension.

In order to get the best result, we only offer an 80 minutes variant for this massage, making it ideal for those whose neck, shoulders and back are particularly hardened and tense by daily tensions.

CANDLE MASSAGE

80 minutes

Soft.

Enveloping.

Fragrant and inebriating.

This massage uses a wonderful cosmetic candle that, melting at physiological temperature, allows to pour on the skin a wonderful mix of actives and butter flavored ingredients, for a revitalizing effect on the skin, body and soul.

For an even brighter and lasting effect try the combination with our wonderful sugar-based exfoliator.

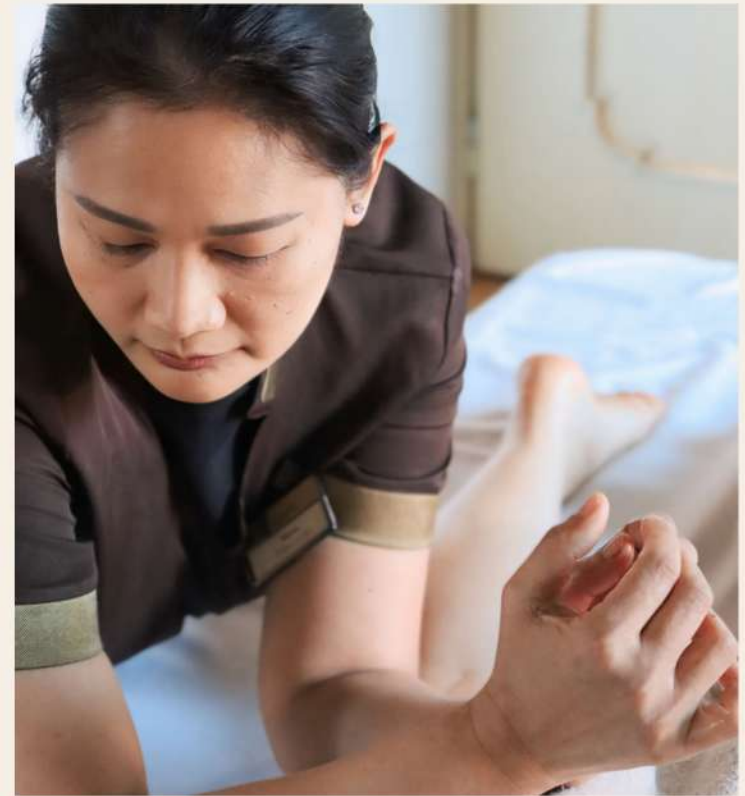

HOT STONES MASSAGE

80 minutes

This holistic massage uses the properties of lava stones, smoothed and heated to stimulate your body's energy centers. Through a combination of the heat released by the hot stones and the softness of almond oil this massage loosens tensions and stiffness, nourishes the skin and unlocks energy while slowly spreading a sense of peace and calmness throughout the body.

Particularly suitable in the cold and humid months, this massage is able to give those who choose it a greater awareness of their body.

INSPIRATION LOMI LOMI

80 minutes

Inspiration Lomi Lomi draws its inspiration from the famous Lomi Lomi massage, native to Hawaii.

It consists of a wonderful mix of deep and invigorating pressure combined with gentle movements.

A relaxing and regenerating experience.

OUR THAI MASSAGES

Wonderful and ancient massage technique that uses stretching and pressure movements with the aim of stimulating and unblocking the "sen" channels of the body, where energy flows.

Our Thai massage is an experience of deep connection between body and mind; in its various declinations it will allow you to regain peace and serenity.

Thanks to archeological findings and an ancient oral tradition, experts have traced back the origins of the Thai massage to over 2500 years ago.

Legend has it that its founder, through notions learned during his travels, managed to elaborate a technique that contained in itself principles of Ayurvedic, Chinese and Tibetan medicine.

I AM LOOKING FOR...

THAI MASSAGE WITH OIL

A typical oriental massage, with deep and decisive pressure

Stretch and relax your muscles, while still enjoying the sweetness of an oil massage

THAI MASSAGE DETOXIFYING

A light and gentle pressure that reactivates blood circulation and relieves pressure from your limbs

Detoxify and reduce your body shape

THAI FOOT MASSAGE WITH REFLEXOLOGY

A partial massage allowing you to relax the whole body on several levels

A stimulating and ancient technique to rebalance your body

THAI MASSAGE WITH HERBS

A massage with an ancient and aromatic flavor that stimulates the senses

Using techniques rooted in ancient and distant traditions to take you for a journey into Relax

TRADITIONAL THAI MASSAGE

An intense massage that does not involve the use of oil

This massage improves muscle elasticity and releases tension through deep stretching and relaxation maneuvers

Awaken the body

THAI MASSAGE WITH OIL

50 or 80 minutes

Massage dedicated to those who want to immerse themselves in the world of Thai massage, without renouncing to the softness of an oil massage.

In this massage, our skilled masseurs combine the effectiveness of stretching and relaxation maneuvers with deep and enveloping touches to achieve moments of pure relax.

Ideal for those who feel tense and tired and want an energetic massage with a special focus on muscle relaxation.

THAI MASSAGE DETOXIFYING

50 or 80 minutes

Light and calming massage aiming, through lymphatic drainage techniques, at attenuating water retention and swollen legs, Eliminating toxins and stimulating the immune system.

Through a stimulation consisting of compression and acupressure on the meridian channels, it allows the restoration of their proper functionality and of venous and lymphatic return.

Particularly indicated when you feel tired, intoxicated and your limbs feel heavy.

THAI FOOT MASSAGE WITH REFLEXOLOGY

50 minutes

Intense and stimulating massage consisting in
Exerting pressure
in specific nerve points of the foot.

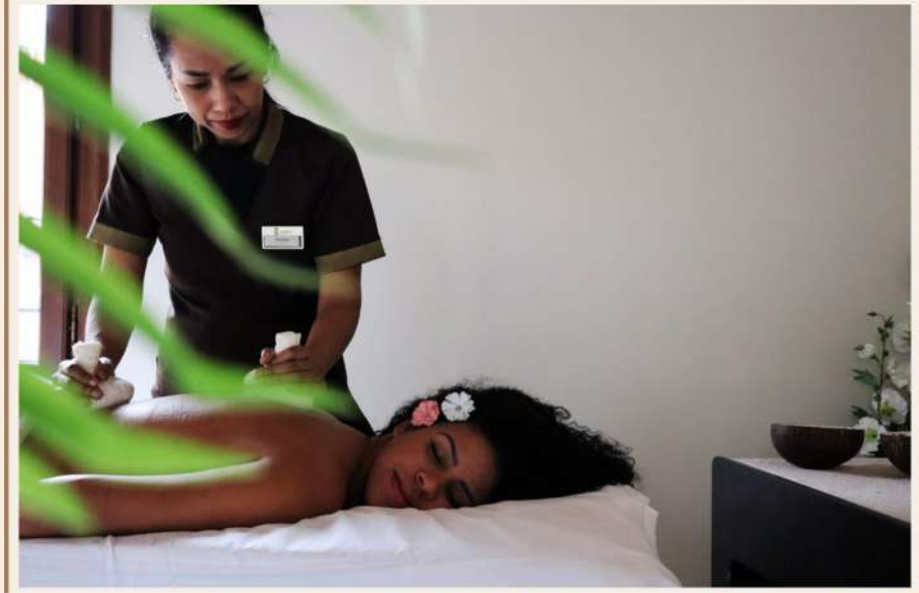

These points
reflect the organs and body apparatus and, when stimulated,
relax the nervous system
and strengthen the immune system for an immediate effect of
relaxation and general well-being.

THAI MASSAGE WITH HERBS

80 minutes

Long and relaxing full body massage that,
through compresses of aromatic herbs
soaked in hot oil and placed in specific energy
points,
releases purifying and invigorating active essentials
on the skin.

This massage combines the pleasure of relaxing and
light maneuvers
with a unique and complete oriental technique to
cradle your whole body while immersed in the
aroma of ancient traditions.

TRADITIONAL THAI MASSAGE

50 or 80 minutes

The Traditional Thai massage is a special technique that originated 2500 years ago.

This extraordinary massage combines the principles of the Ayurvedic world and of Chinese and Tibetan medicine to achieve harmony, balance and energy restoration.

It is performed without the use of oil and fully clothed.

Not only the maneuvers of stretching and relaxation provided in the massage is higher than that achievable with normal exercises, but through the stimulation of the "sen", the meridian channels, it is possible to stimulate the free circulation of energy.

The good functionality of meridians is essential to the body's well-being because it enhances its self-healing capabilities.

Ideal for those who have already relaxed body and muscles with other massages or stretching and want a deep and stimulating massage.

For this massage it is essential to be able to let go and to passively experience the action of the operator, without stiffening or opposing the maneuvers.

OUR PARTIAL MESSAGES

For those who want a quicker experience, but still wish to enjoy a state of lightness in a placid and relaxing environment we propose our partial massages.

By treating a specific part of the body, it is possible to reduce heaviness and stiffness, reaching a much-needed state of relaxation.

The perfect treatment to fit in your schedule to sweeten your day.

I AM LOOKING FOR...

DECONTRACTING AND RELAXING BACK MASSAGE

A specific massage that relieves back tensions

A massage that leaves an intense feeling of lightness

SHOULDER, NECK, FACE AND HEAD MASSAGE

A short, but relaxing and anti-stress massage

A stimulating massage that drives away bad thoughts

ANTIFATIGUE MASSAGE FOR LEGS

A specific massage to reactivate blood circulation and relax your limbs.

RELAXING FOOT MASSAGE

A rejuvenating and stimulating massage that loosens the tension in the feet, stimulating blood circulation

LOCALIZED REMODELING MASSAGE

Treat blemishes in a localized way, without overlooking the body as a whole

DECONTRACTING AND RELAXING BACK MASSAGE

50 minutes

Our Back Massage is ideal for those who have already treated the body with a Total Body massage, but wish to strengthen its effect.

Its duration, combined with the possibility of working specifically those areas that are more stiffened and tense, will help you achieving a feeling of relief and elasticity.

SHOULDER, NECK, FACE AND HEAD MASSAGE

30 minutes

Through maneuvers aimed at stimulating the circulation and oxygenation of the skin, this wonderful and intensive 30 minute massage stimulates skin elasticity and attenuates expression marks.

Particularly recommended for those who suffer from headaches, stiffness and fatigue.

ANTIFATIGUE MASSAGE FOR LEGS

50 minutes

Soft and enveloping massage that uses specific maneuvers aimed at reactivating blood and lymphatic circulation, by massaging the tissues, to achieve a feeling of lightness and softness.

This localized massage is ideal for those who's limbs feel heavy and swollen and wish to devote more care and attention to this aspect, without obviously neglecting their Relax.

It becomes even more effective when combined with the intense stimulations of our wet path.

RELAXING FOOT MASSAGE

25 minutes

The well-being of the foot is fundamental for today's active and dynamic life.

This massage is a pleasant proposal for those who have little time, but still wish to gift themselves with a moment of relaxation.

Through kneading maneuvers and specific pressure, circulation is reactivated and stiffness and tension are relieved, giving new energy to the whole body!

LOCALIZED REMODELING MASSAGE

80 minutes
(or 30 minutes after body treatment)

Our Localized Remodeling Massage aims at remodeling your figure in a natural way, without renouncing to the well-being of body and mind.

Excellent in its full 80 minutes version to treat the body as a whole, as an extra focus on the most critical areas or as an addition of 30 minutes to implement the benefits of body treatments.

OUR BODY TREATMENTS

Our Body Treatments
combine relaxation and well-being with beauty and harmony for a complete
and regenerating effect!

I AM LOOKING FOR...

BODY EXFOLIATION WITH CREAM APPLICATION

A smooth, soft and luminous skin

A treatment that can be crafted to my liking for
a complete and regenerating effect

STRATOSOTTILE

A Ritual for skin regenerating and toning

Feel like a queen from head to toe

TERMAESTETICA

Antioxidant and Antiage support

Drain and feed your skin

BODY EXFOLIATION WITH CREAM APPLICATION

50 minutes or 20 minutes
when combined with a treatment

A treatment that could, ideally, be done regularly or before sun
exposure.

This treatment uses a fine granular exfoliant to remove dead cells
and surface dryness, responsible for a "gray" and off appearance.

We complete this treatment by applying our emollient cream, a
beautiful mix of regenerating and energizing actives for a fresh
and nourished look.

Great when combined with our Wet Area or Massage.

OUR BODY TREATMENTS FARMOGAL

Thanks to the collaboration with Farmogal, we are proud to offer our guests a wide range of excellent treatment options to make the time spent with us relaxing and at the same time effective.

Through effective and rebalancing formulations, the treatment allows to regain a uniform and bright complexion.

Recommended right after the Cleansing Principles treatment to tackle impure and oily skin

OUR BEAUTY SERVICES

Our specialized aesthetics staff will be at your complete disposal to provide assistance in making your AiReali Beauty experience truly special.

Wishing to provide our guests with a complete and safe experience, we are pleased to inform our customers that our staff uses a specific Autoclave to sterilize our equipment.

To safeguard the well-being of our guests we also inform you that we do not apply our enamels in case of mycosis (customers affected by this type of infection may choose to apply their own products) and do not perform so-called "Curative" services, in line with the current regulations.

MANICURE BASE

Complete manicure service that includes nails filing, application of a specific softening product, push and possible cuticle cut, application of Farmogal's allantoin restructuring and moisturizing hand cream. To complete the session, nail polish is applied.

QUICK MANICURE

Ideal for those who wish to allow time to care for their hands, for a clean and elegant effect, without applying dyes; it includes nail adjustment, the application of a product to soften cuticles without damaging the nail, possible cuticle cutting and application of specific hand cream.

SEMIPERMANENT SHELLAC APPLICATION

A quicker service, ideal for those who recently had a manicure and just wish to add a bit of color on their hands; it includes nail filing, dry cuticles push back and nail polish application.

PEDICURE BASE

Complete pedicure service that includes mails filing, application of a specific softening product, push and possible cuticle cut, application of restructuring and moisturizing cream.

To complete the session, nail polish is applied.

QUICK PEDICURE

For those who want their feet treated and "in order", but wish to avoid applying dye.

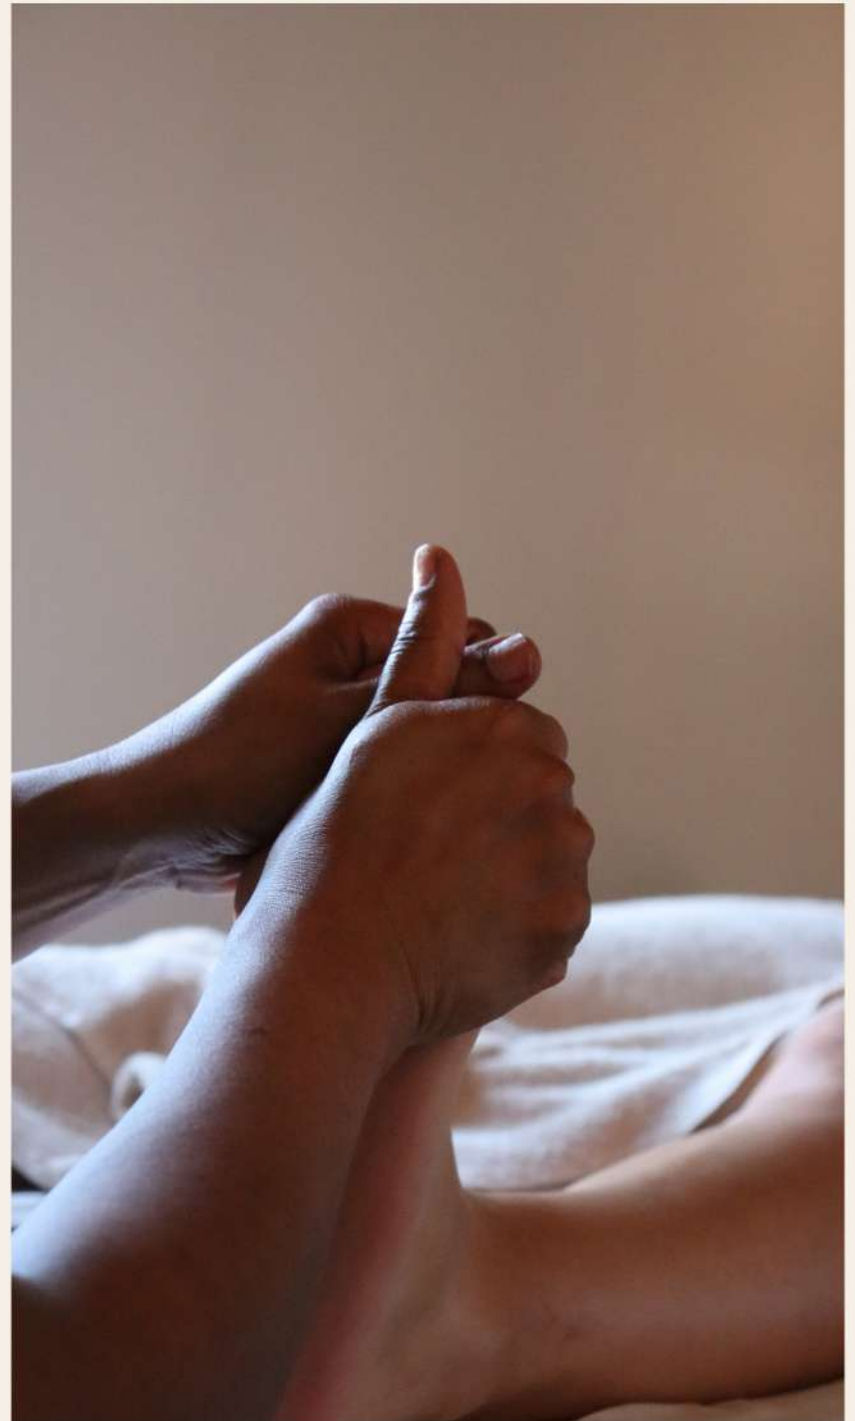

This quicker, but still effective, pedicure involves the adjustment of nails and cuticles, the buffing of thickening and the application of a specific Farmogal product for a light, hydrated and fresh foot.

APPLICATION OF NAIL POLISH ON FEET

Recommended for those who recently had a pedicure service and do not need any further attention, but only want a quick change of nail polish.

The service includes nail filing, dry cuticles push back and nail polish application.

The price may vary according to the characteristics of the foot and the time required by the operator for the preparation of the nail.

SEMI-PERMANENT REMOVAL

Our center does not use cutters; Remover Wrap imbued with a specific CND solvent or, in cases of non-compatible semi-permanent, double-grain files, to ensure an effective and gentle sanding, are used to remove the semi-permanent.

There is also a variation in the price depending on the derivation of the product (whether or not it was applied by our center) and whether it is carried out in conjunction with another service.

SEMIPERMANENT SHELLAC APPLICATION

The nail is carefully prepared through filing, cuticle pushing and special preparation products to make the application of the semi-permanent as efficient and gentle as possible.

Ideal for those who want their nail polish in order, but with longer durability than traditional alternatives.

MANICURE AND PEDICURE WITH SEMIPERMANENTE SHELLAC

Complete treatment that treats the well-being and aesthetics of the foot and hand..

EPILATION TREATMENTS

In order to guarantee a high-performance and dedicated experience to all our customers, our center offers two epilation treatment methods.

ZIM TREATMENT FOLLICULITIS

Real epilation treatment formulated to minimize the risk of folliculitis and ingrown hairs, optimizes the action of defoliation and weakening of the hair.

Epilation ZIM is a program suitable even for the most fragile and sensitive skin because of its effective protection of the tissue, even during the phases of "tearing", thus reducing the skin stress.

BRASILIANA WAX

Suitable for all skin types, even the most sensitive, This method allows to capture hair even in the Anagen phase, lengthening the time between treatments and resulting in a hydrated, soft and silky skin.

The use of waxes melting at low temperature (much lower than traditional ones) wrapping the hair (even the shorter and more resistant) and avoiding to stress the skin and to gently extract it without sticking to the skin, for a pleasant, effective and tailored treatment.

SOLAR SHOWER

Machine that can be used as a tanning lamp or, thanks to photobiomodulation, as a proper anti-aging treatment. Acting on fibroblasts, it increases their natural activity by increasing the production of collagen. After a few sessions, the collagen treatment has a toning and firming effect.

Dear Guests,
