

A top-down view of a person with voluminous, curly, light-brown hair performing a yoga pose on a dark asphalt surface. Their arms are raised, and their hands are pressed together in a prayer position (Anjali Mudra) above their head. The person's torso is visible, and they appear to be wearing a dark top. The background is a textured asphalt ground with some small green spots.

Mvua African Rain Spa

New horizons of relaxation and wellness

Mvua is an african swahili word which means “Rain”

In Africa, rain brings life and life depends on it...

Rain is the gift that brings wealth to the earth and to all those who live in it. Rain refreshes from the still heat of the day by cooling the thirsty land, awakening the senses and sharpening the aromas in the bush.

Capturing the beauty and magic of African décor, Mvua African Rain Spa blends earthy colors and dramatic images to evoke a sensory journey and inviting guests to build a personal experience in its calming space.

At the Mvua African Rain Spa you will find everything you need to revitalize your body and mind.

At Mvua African Rain Spa we utilize indigenous natural ingredients and other nourishing native ingredients and other native resources such as plants, flowers, salt, grains, spices, wild honey and raw sugar. Our tempting choices of treatments are based on ancient African, Asian and European traditions designed to soothe the spirit, rejuvenate the body and enrich the mind.

After experiencing the attentive service and warm ambiance, your desire to repeat your visit will bring you back again and again.
