SANDIES BAOBAB BEACH

Sandies Baobab Beach is ready to welcome you to make your stay in Zanzibar memorable.

Sandies Baobab Beach offers unforgettable landscapes that will make your holiday even more unique and memorable.

Sandies Baobab Beach is a 4 stars resort located on the famous white beach of Nungwi, on the northern tip of Zanzibar. The lovely beach is unaffected by the changing tides and as a result, the guests can take full advantage and enjoy swimming in the crystal clear waters at any time.

The resort is a charming oasis of tranquility with all the advantages of the all inclusive services.

The structure takes its name from the majestic

century old Baobabs, found dotted around the resort compound, making it a unique tropical oasis immersed in nature.

The rooms of the resort, designed with custom made Italian furniture with a Swahili flair, are surrounded by tropical gardens and trees.

The resort has direct access to the beach with a restaurant, pool and pool bar, all facing the beach and the turquoise blue waters of the Indian Ocean.

Sandies Baobab Beach is the best place also for weddings, honeymoons or special occasions like an anniversary: enjoy a special candle lighted romantic beach dinner under the stars that will never be forgotten.
