NADČASOVÉ KLASIKY • TIMELESS CLASSICS ZEITLOSE KLASSIKER

- MARTINI** 160 CZK
(Beefeater gin, dry vermouth)
Best-known mixed alcoholic beverages called “the elixir of quietude” or “the only American invention as perfect as the sonnet”.
- COSMOPOLITAN** 160 CZK
(Absolut vodka, Cointreau, cranberry juice, lime juice)
Everyone drinks “Cosmo”. Except for the characters in the series Sex in the city. And that is only just because everyone drinks it.
- NEGRONI** 180 CZK
(Campari, Beefeater gin, sweet vermouth)
Voted the second-best cocktail in the world, four times in a row. A cocktail reminiscent of Leonardo Di Caprio on Oscars. Didn’t win, but we love it.
- WHISKEY SOUR** 180 CZK
(American Eagle bourbon, simple syrup, lemon juice)
In the beginning, everything is simple as Whisky sour. In the end you hardly remember your name.
- GIN FIZZ** 160 CZK
(Beefeater gin, lemon juice, simple syrup, club soda)
Funny elder of cocktail family. As the grandpa, he can do whatever he wants. Even smash you to the floor.
- DAIQUIRI** 170 CZK
(Havana Club 3yo, Simple syrup, lime juice)
After a well-mixed daiquiri, I am able to fly all over the world. “Ernest Hemingway” Belgian Congo 1954
- MARGARITA** 170 CZK
(Tequila, simple syrup, lemon juice)
History has proven the fact, that Margarita is responsible for more romance than flowers and chocolate. Drink irresponsibly for more fun.
